Saturday - Oct. 17, 2026

6:00 PM

James Reeb Unitarian Universalist Congregation
2146 E. Johnson St. - Madison, WI

We're adding a "chip in for pizza option" to the Monthly ***Potluck for People, Peace, & Planet.*** This will be the evening of the next **"No Kings" Nationwide Demonstration Day** and a great opportunity to listen, learn, & share our hopes, dreams, and ideas about our emerging unity.
If you can, bring food to share or chip in for pizza.
All are welcome.

Big thanks to **James Reeb Unitarian Universalist Congregation**
& partners for hosting this monthly event!
